

Public Advisory

6.3.2019

All members of the public are well aware that CBSE annual class X and XII Board examinations are currently underway. Beginning 15th February 2019, CBSE has so far conducted examinations in 136 subjects successfully.

In order to conduct examinations in a smooth manner, the Board has taken several security initiatives for conducting fair and smooth examinations. Few cases of fake and false news in circulation with the intention to thwart the good efforts of the board and to create panic and confusion among the students and public are being noticed. Suffice is to say that such news is circulated by unscrupulous persons for personal and professional gains.

The board has released instructions to all the students and parents to be aware of fake news regarding paper leak, availability of question papers prior to the examinations on various platforms including social media.

The Board has located a number of uploads available on You Tube falsely claiming to have access to the original question papers of subjects in which examinations are yet to be conducted such as - Accountancy, Chemistry, Geography Class XII, English, Mathematics and Science of Class The papers being shown on these sites have been scrutinized and 100% have been found to be fake.

An FIR has already been filed in this connection. CBSE has also requested Delhi Police in writing to take suitable and strict action against miscreants under provisions of IPC and IT Act, so that the sanctity of examinations and several of the board's security initiatives remain unaffected and exams are conducted in fair and smooth manner.

Public is hereby informed to remain vigilant remain calm in all situations. The public is expected to cooperate with the board in dealing with such unsolicited situations.
